

KPMG Volunteers Inspire Learning Through Joy of Connect Sessions

KPMG volunteers successfully conducted Joy of Connect sessions across partner schools in Uttar Pradesh and Jharkhand, creating meaningful learning opportunities for students through interactive and engaging activities. A total of 16 sessions were conducted in Uttar Pradesh and 20 sessions in Jharkhand, covering topics such as Cyber Security Awareness, Digital Literacy, Financial Literacy, Spoken English, Storytelling, General Knowledge, and student engagement activities.

The sessions encouraged active participation and curiosity among students, while volunteers served as mentors and guides, fostering meaningful conversations and a joyful learning environment. The initiative helped strengthen students' digital awareness, communication skills, confidence, and classroom participation, making it a rewarding and impactful experience for both students and volunteers.

EmpowerED Classes in Uttar Pradesh

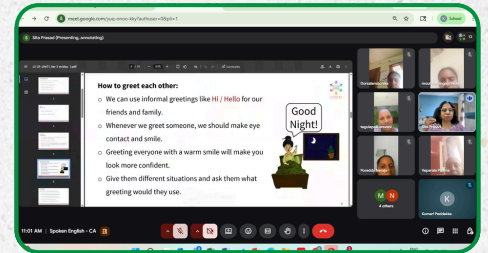

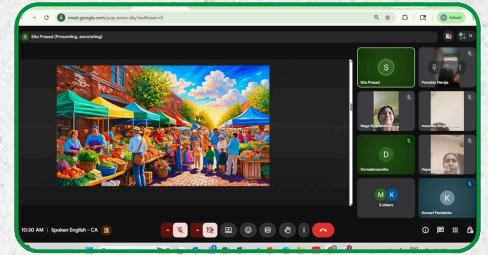

The EmpowerED classes in Uttar Pradesh continued to equip students with essential digital literacy and communication skills through interactive, activity-based learning. Alongside learning basic computer operations and digital tools, students participated in Spoken English sessions that focused on improving vocabulary, pronunciation, and confidence in speaking English. Engaging activities such as storytelling, discussions, games, and role plays encouraged active participation and helped create a supportive learning environment.

Building Confidence Through Spoken English

The Spoken English classes for Class Assistants (CAs) continue to make a meaningful impact by strengthening their communication skills and building confidence. Through interactive sessions and regular practice, CAs are encouraged to express themselves in English in a supportive and engaging environment. The program helps improve pronunciation, vocabulary, and conversational abilities while empowering participants to communicate more effectively. As their confidence grows, CAs are becoming better equipped to support students and contribute more actively to the learning ecosystem.

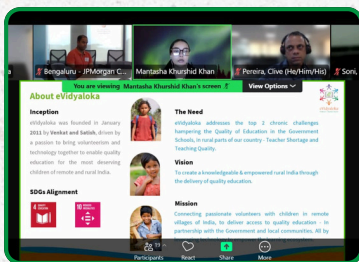

Huron team engages with eVidyaloka's Mission

On May 14, an orientation session was conducted at the Huron office in a hybrid format, enabling participants to join either in person or virtually. The session introduced attendees to eVidyaloka's programs and content creation initiatives, providing an overview of how volunteers can contribute to transforming rural education.

JPMorganChase Volunteers Support Creative Content Development

On May 27, an engaging content creation session was conducted with JPMorganChase volunteers, focusing on the development of subject-based riddles. The session encouraged creativity and critical thinking while supporting the creation of interactive learning resources designed to make classroom learning more engaging and enjoyable for students.

From Classroom Learning to Environmental Leadership

Ansh, a Class 8 student from UPS Ruru Khas in Ayodhya, has transformed from a shy and hesitant learner into a confident achiever through perseverance, guidance, and the support of eVidyaloka's volunteer teachers. His dedication and growing self-belief helped him successfully clear the prestigious SHRESHTA examination, earning him the opportunity to pursue his education from Class 9 to 12 free of cost in reputed government institutions. Ansh's journey is a testament to the power of encouragement, quality education, and the limitless potential within every child. [Read the full story and discover how confidence transformed Ansh's future.](#)

Going the Extra Mile for Students

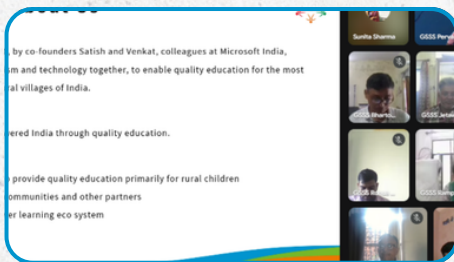

Amani Gundu, an eVidyaloka volunteer teaching Mathematics to Grade 9 students at ZPHS Dakamarri in Andhra Pradesh, exemplifies the dedication and impact of volunteer educators. Driven by a desire to build stronger connections with her students, Amani expressed her wish to visit the school and engage with them beyond the virtual classroom.

Her commitment highlights the importance of encouragement, mentorship, and personal connection in creating meaningful learning experiences and inspiring students to reach their full potential. [Read the full story to discover how Amani is making a difference beyond the screen.](#)

A Landmark Gathering of Headmasters in Rajasthan

In a first-of-its-kind initiative, 40 headmasters from eVidyaloka partner schools across Rajasthan came together for a virtual meeting to exchange ideas, share experiences, and explore ways to strengthen learning outcomes through collaboration. The session fostered a strong sense of community and a shared commitment to

quality education. [Read more about this inspiring gathering.](#)

Celebrating the Unsung Heroes of Virtual Classrooms

Behind every successful eVidyaloka classroom is a dedicated team working to create meaningful learning experiences for students. At GHPS Hiremegalagere, the Class Assistant supporting Science classes for Grades 5, 6, and 7 played a vital role in ensuring smooth and engaging sessions by coord-

-inating with students volunteer teachers, and technology. Through consistent support and commitment, they helped create an environment where students could learn with confidence and enthusiasm. [Read the full story.](#)

Every child deserves a chance to learn.

Your support helps turn that chance into a brighter future.
