RUN UP TO RUBARU 2016

From the editors desk:

Rubaru—A Rural urban children connect is being organized by eVidyaloka on 3rd December 2016, with the central theme redefining equality and e-quality in education

As a run up to the event we conducted to separate events of connecting kids of our rural schools to kids of urban schools in Bengaluru.

The event was conducted on two days on October 25th and 26th.

On 25th we connected the kids of Podar international school, Bengaluru with eVidyaloka kids of Utkramit madya vidyalaya, Bero, Jharkhand and on 26th October we connected kids of Sri Kumaran's children home (CBSE), Bengaluru with kids from Utkramit Madya Vidyalaya Chengarbasa, Jharkhand and kids from GUPS, Managundi , Karnataka,

The connect was over skype and on both days the kids enjoyed interacting with each other. They sang songs and exchanged gifts which was made prior on chart papers. Below we are attaching a few photos clicked from the event.

OPERATIONS UPDATE

The operations team at eVidyaloka was buzzing as always with first introduction classes happening at our Thenur center, Tamil Nadu, Vavilala center, Andhra Pradesh, Hanumakoppa center, Karnataka.

We started of with having a partner review meet with our partners from the states of Jharkhand and Karnataka.

The month of October also saw kick starting a series of guest lecture sessions as well as per the requirements form the school side. The first guest session was conducted by our Volunteer from XLRI Abhinay Sali for his 8th standard students from Mallela, Andhra Pradesh on reasoning for the National means cum merit scholarship examination the kids will be facing.

After the completion of the Term 1 assessment sharing below the mark analysis and data related to the same.

State	No of offerings assessments conducted	No of children who took assessment	Scored above 70%	Scored between 70% - 40%	Scored below 40%
Tamil Nadu	60	550	35%	39%	14%
Jharkhand	89	2036	27%	36%	37%
Andhra Pradesh	62	889	38%	31%	30%
Karnataka	41	854	61%	31%	7%
West Bengal	7	55	15%	40%	45%
