Field Trip to Auckland

The Field Trip to Auckland was a part of the "eVidyakya Joy of Connecting" program. The trip to Auckland was packed with educational and cultural experiences for the students. The students had the opportunity to explore Auckland’s vibrant city life, visit famous landmarks, and learn about the city’s history and culture. The trip was organized in collaboration with the Auckland City Council and was aimed at enriching the students' understanding of Auckland's diverse community and culture.

Transcreation (from English)

Transcreation is the process of recreating content from one language to another in a way that maintains the original meaning and tone. In this context, the transcreation of content from English to another language is crucial for ensuring that the content resonates with the target audience and effectively communicates the message. The transcreation process involves a deep understanding of the cultural and linguistic nuances of the target language, as well as the ability to convey the original meaning and tone in an authentic manner. This is particularly important in the context of educational content, where the goal is to engage and educate the target audience.
