

# eVidyaloka

An Update - As On Dec 2018

**Wishing you a Happy New Year 2019!**

With huge thanks for your incredible support in 2018, we present to you the achievements and highlights of last year.

The eVidyaloka Q3 report is a comprehensive summary of our activities. We thank our donors, stakeholders, and well wishers for making 2018 a huge success. We also extend our thanks on behalf of our team members, volunteers, and students. This report summarizes the highlights the Q3.

## Q2 & Q3 Events

### Teachers' Day 2018

Teachers Day 2018, was celebrated with a mentoring session by the famous Mr. Sonam Wangchuk. We were privileged to host, interact and meet him along with Mr. M Haragopal, the founder of FinUNO. This session was conducted as a tribute to all our volunteers

### Regional Partner Summit

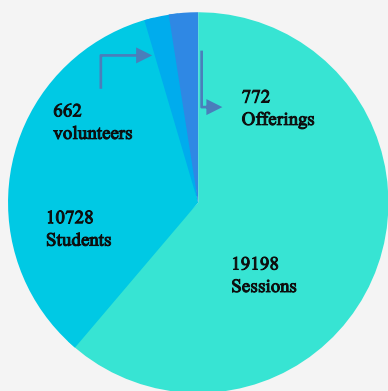

The first Regional Partner Summit (RPS) was conducted in 6 states. A meet up designed for our local partners, field staff & eVidyaloka representatives to discuss the updates, issues, challenges and the way forward, through a well structured workshop, training session, and informal interactive session.

### Roadshow at L&T

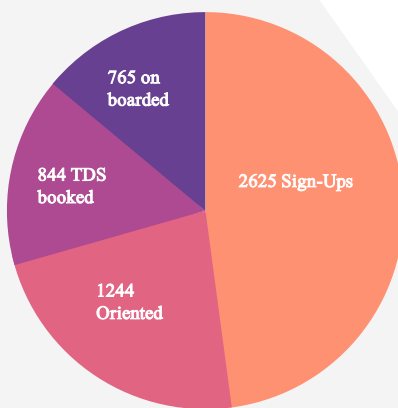

eVidyaloka conducted its 1st Corporate volunteer drive at L&T Infotech. The roadshow blended simple cultural and art forms such as theatre and stand up comedy to create impact and spread awareness among corporate employees on the current need in India's education system.

## Performance Dashboard

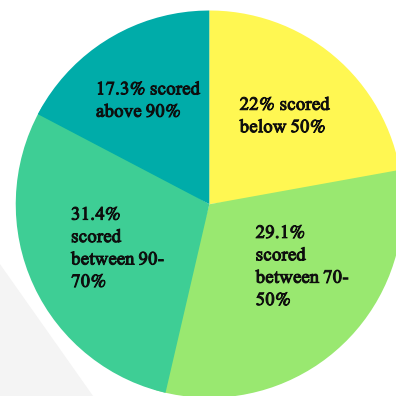

### Operational Status

We have conducted 19198 sessions, impacting 10728 students with 662 active volunteers engaging in 772 active offerings.

### Volunteer On-Boarding

We have successful signed up 2625 volunteers, and oriented 1244 volunteers. 848 TDS are booked and on-boarding of 765 volunteers is completed.

### Assessment Report

17.3% of our students have scored above 90%, 31.4% between 90-70%, 29.1% between 70-50% and only 22.2% scored below 50%.

## Top Highlights

**1st Term Assessment** - The assessment was a combination of testing subject knowledge along with positive behavioral traits, such as self-confidence, attitude, responsibilities, attentiveness, curiosity, courteousness and many more.

**Science Exhibition 2018** at Koymara, Jharkhand, where students from 7 schools had participated. A fun filled initiative that showcased the talent and interest of students in making scientific models.

**Guest Sessions** - We conducted multiple guest sessions by Microsoft employees and IPS officers on trending topic outside the basic curriculum to nurture a holistic education in students.

**Regular Parent & Teachers Meet** - We started our regular online PTM to involve parents in their child's education and communicate the positive effects of education. We also introduced the '**Star of the Month**' reward system to acknowledge the efforts, performance and improvements of our star students.

**Student Leader Development Program** - We initiated the SLDP to encourage and spread awareness on the importance of management and leadership skills with various interesting initiatives taken by the children.

**19 New Schools** - We started new schools in various states, 10 in Maharashtra, 2 in West Bengal, 1 in Uttar Pradesh, 1 in Bihar and 5 in Uttarakhand. Chargali school in Purulia, West Bengal was covered by Doordarshan on our Digital Classroom platform.

**eV Academy** developed & trained 26 participants in 3 courses, Technology in Education, eVidyaloka Service Delivery Model, & Jupiter Platform in Tamil Nadu, Maharashtra, and Uttarakhand. Quality control audits for process adherence & data captured on Jupiter were conducted in 60 out of 167 centers

## Coming Up 2019

- Solar powered digital classroom project to be installed for 10 schools with 40 community members
- Partnership with APSWREIS (AP Govt Social Welfare Residential schools) on extending eVidyaloka platform
- CSR networking and corporate volunteering initiative through Rubaru 2019
- eVidyaloka students to participate in The National Student Innovation Challenge 2019
- Year end assessment for the year 2018-2019
